WHITELINES®
PAPER + APP

How does it work?

START APP
Start Whitelines App. (Download on the App Store or get it on Google Play.)

POSITION
Make sure you see the full page in the display.

AUTOMATIC CAPTURE
Hold still and let Whitelines App automatically capture your note.

QUICK BOX
Tick a "Quick Box" to get a shortcut to your email, Evernote and Dropbox accounts (or other apps such as Google Drive or One Note).

REVIEWS

This paper is incredible, my notes stand out so well, and they are really easy to scan
- @thisgirlstudiesss

Simply write on the paper and scan using the app, and you will have a soft copy on your phone
- @stu.dyinggg

This magical paper can be scanned through the app which edits it and uploads it automatically!
